

## Guidelines for T-Shirt Designs

- 1) You may use the front and back of the shirt. Put each side on a different piece of paper.
- 2) Please label which is the front and back.
- 3) Designs can be in color, but keep colors simple.
- 4) Have "Bridle Bunch" somewhere on the design and consider the year (2006).
- 5) Read the back for rules of using the 4-H Emblem.
- 6) Incorporate 4-H ideals and represent the club.
- 7) The graphics should be neat and ready to go to the printer.
- 8) Winner gets a free shirt! Please put your name on the back of the design.
- 9) Everything else is up to you.
