

## Bridle Bunch Horse & Pony Goals 2005

- Provide more individual, skill-based attention through use of three groups: 1<sup>st</sup>/2<sup>nd</sup> Year, Juniors, and Seniors
- Delegate leadership to the Leadership Team, enhancing their 4-H experience
- Define skill sets to be covered at workshop so that members know which workshop is appropriate to their level
- Provide additional educational activities at workshops for members who attend but may not be interested in that event so they can learn about new events and think about trying something new
- Increase member involvement in tracking participation points
- Enhance communication with all Horse & Pony project participants through newsletters, website and meetings
- Implement system for pre-registering for County Fair to include a sheet given to each member with their classes as well as automated Class Rosters
- Increase parent involvement by directly communicating with parents, asking for help, and providing information to make it easier to get involved
