**NOTE THE DIFFERENT
CHECK IN TIMES**

AUGUST

Thursday 3rd – Tuesday 8th:

Pre-State Fair Events

Wednesday 9th – Saturday 19th:

Indiana State Fair

County Fair

Please observe the check in times. Those will be the only check in times allowed. You will not be permitted to haul in the day of the show.

Book Signing

There is only one more opportunity to have your books signed; July 20th. Be prepared to explain your projects to the leaders and be able to tell them what you have done with your projects this year.

Open Arenas

Open arena dates are times which you can bring your horse so you both can get used to the place we will be showing. The destination for these will be announced soon.

T-Shirts

T-shirts are in!! Make sure you pick yours up soon.

Sponsorship Cards

Don't forget to be asking people to help sponsor our club. The money collected through sponsorship will be used to help purchase our ribbons and trophies for this year. *DUE NOW!*

White Cards

Your white cards are very important!! You need to fill these out to be eligible for trips and other awards or scholarships. These cards are records of your year's work. Fill them out completely and turn them in to Julie.

Leader's Corner

It's here! Fair time is now and hopefully everyone is ready for a great 2006 4-H County Fair. Please be sure you read the rules/conditions that are included in this mailing. Several things have changed. For example, with the new ventilation and fans in the barn, we don't think there will be a heat problem, so we're saying no fans are allowed. If it happens that there is a problem, we will make a change in policy. Because there are so many things unknown, that is just one example of a plan/decision that has been made that may have to be adjusted. There are many concerns about how everyone enters the arena down the concrete. We don't think there will be a problem, but we'll be keeping our eyes open. I ask that everyone remain cooperative as we work through this first year in the new fairgrounds and be prepared for changes that will be made as we go along. Until we "live" in the new fairgrounds, we won't know how things will go. Be FLEXIBLE!

Hendricks County 4-H Fair: July 23rd – July 29th Indiana State Fair: August 9th – August 19th
