### New Meeting Time!!!

This year we are starting our monthly meetings at **6:30pm** instead of 7pm. Please take note of this change. However, the meetings will still be held on the fourth (4<sup>th</sup>) Thursday of each month.

Visit our website at [www.BridleBunch.com](http://www.BridleBunch.com).

The website has our calendar, pictures, and more!! Check it out!

### Tack Sale

Do you have any extra show clothing or tack that you want to get out of your house? Bring it to the club's annual tack sale!! If you have things to sell we ask that you be in charge of your own items. This means managing your own money and sales. After the sale if you have any extra items and don't want to take them home, we will be donating things to Hope Haven and you are more than welcome to add your items to the collection.

### Color Guard

We are looking for new color guard coaches. If you know anybody who is interested please let Julie know as soon as possible.

### Dues and Numbers

Don't forget to pay your club dues! They are \$5 per person or \$10 for a family. After paying your dues you will get a receipt which will enable you to pick your number. This number is for you to use at our 4-H only show and at the fair. Once you have chosen a number, it is yours. Nobody can have the same number.

### 1<sup>st</sup> & 2<sup>nd</sup> Year Orientation

The 1<sup>st</sup> & 2<sup>nd</sup> year orientation is open to all members, but is geared toward the 1<sup>st</sup> and 2<sup>nd</sup> year members. We will be discussing all the things you need to know to have a safe and successful year. We will be answering any questions you have. Hope to see you on Wednesday, March 8<sup>th</sup> at 6:30pm.

### Leader's Corner

Wow, 2006 and almost March already! The Leadership Team and Adult Leaders are gearing up for a fun and active year. This year, the Leadership Team youth will be planning events and coordinating more of the club. We're going to try to have more activities for club members to interact, get to know each other, and develop special bonds. We encourage everyone with ideas to share them with a club officer, leadership team member, committee member or adult leader. While we may not be able to accommodate every idea, we can find ways to be sure that everyone benefits from this club. Being active is the best way to get to know other club members.

As we get ready for County Fair, there will continue to be more changes. We're still working on how everything will work this year at the fair and we're asking everyone to be flexible. The Committee and Leaders are working to make things run smoothly. We're all about the kids! Come talk to me and if you need to call me, please feel free to call on my cell phone (317) 507-9335. Talk to you soon. ~ Julie
