

The Bridlebunch 4H Horse & Pony Club is a not-for-profit club that depends upon the generosity and support of the community to continue year after year. It is community business and individual sponsors that donate the funds required to purchase ribbons, trophies, team shirts, equipment, year-end awards and fun for the entire Bridlebunch Club.

There are two ways you can assist the club in raising sponsorships for the Bridlebunch Horse & Pony Club:

- 1) **Corporate Sponsorships**- these are donations made by local businesses who wish to support kids in the community. As parents, you can help your child earn club points for sponsorships by distributing the corporate sponsorship letter to community businesses you work for or shop at throughout the year. Be sure your Bridlebunch member's name is indicated on the sponsorship letter returned to us, so they receive credit for the sponsorship gained.
- 2) **County Fair Class Sponsorships**- these donations are made by individuals and businesses in the community that wish to sponsor specific show classes at the 2008 Hendricks County Fair. Kids, make sure your name is on the sponsorship card returned, so you receive credit for the sponsorship received.

**Make 2008 a fun year—let the community know how they can help by sponsoring the Bridlebunch Horse & Pony Club!**
